

Empowering Healthcare – Safe, Flexible, Compliant

The healthcare and pharmaceutical industries are well known for their rigorous, always evolving regulations that apply to data. As new legislation surfaces, and these protocols grow even more demanding, it's more important than ever to leverage technology designed to improve patient care and keep costs under control.

NYI offers secure, HIPAA, PCI, SOC1/SOC2-compliant and SSAE 16-certified data centers. Our facilities are owned, operated and optimized to comply with any new standards that may apply in the future.

Why do top Healthcare providers use NYI?

- Customized solutions with direct access to enterprise cloud, colocation and hybrid deployments
- Data centers with 99.9999% uptime in strategic locations including - Manhattan, central New Jersey, Los Angeles and Seattle
- Flexible, future-proof infrastructure designed to lower IT costs and increase performance
- In-house healthcare industry specialists to assist with solution design and deployments
- Earth-Friendly – Cold Aisle Containment at all NYI Data Centers mean more efficient, environmentally friendly operations

Award winning support from on-site NYI technicians 24x7x365

Optimized, fully managed solutions built for your business

Fastest deployment & turnaround times in our industry

Easy access to key data centers & customer locations in US metro areas

Owned & operated Data Centers: Increased responsiveness and resiliency for your business

- HIPAA, SOC1/SOC2, PCI Compliant - SSAE16 Certified

We've worked with organizations like Washington Hospital and Columbia University Medical Center for many years, as a result we understand the specific IT needs of the healthcare industry. NYI is able to create customized solutions to overcome your challenges - from fully managed private networks for secure network connectivity to infrastructure support for the growth of Electronic Medical Records functions.

Healthcare Client Snapshot:

Alliance Life Services | Caduceus, Inc. | Columbia University Medical Center | Mobile Health | Oak Tree Storage | Washington Hospital | Enzon Pharmaceuticals | Murray Hill Medical Group

"NYI has been an invaluable technology partner. Their flexibility and time-to-market made all the difference at a moment when we needed a customized, business-critical solution."

— *Tim Norris, Director, Information Systems, Alliance Life Sciences*
